Business Analysis: Requirements Gathering, Process Mapping, Business Documentation, Stakeholder Communication
Delivery & AI: Agile, Git, GitHub Actions, AI-Assisted Analysis, Microsoft 365, Google Workspace

EXPERIENCE

- **AYLA Solutions** Australia
– *Data Intern* 2025
– **Requirements Analysis:** Gathered and documented business and reporting requirements for analytical work.
– **Data & Reporting:** Supported SQL extraction, advanced Excel reporting, and KPI dashboard development.
– **Agile Delivery:** Participated in sprint planning and reviews to coordinate analytical tasks.
- **Trans Globe Education** India
– *Support Executive* 2022–2023
– **Process Coordination:** Coordinated applications with students and institutions; maintained accurate records.
– **Business Support:** Supported reporting, workflow management, client communication, and market research.
- **Arihant Investment** India
– *Administrative Executive* 2020–2021
– **Data Administration:** Performed data entry and client-record maintenance with accuracy and confidentiality; supported operations and communication.

PROJECTS

- **E-Commerce Sales Analytics:** Built and validated a five-entity PostgreSQL model with status-aware revenue logic. Analyzed customer spend, order frequency, product rankings, monthly revenue, and payment methods; added GitHub Actions, AI-assisted recommendations, and Power BI KPI planning.
- **Healthcare Patient & Hospital Analytics:** Modelled six related entities and applied CTEs, rankings, segmentation, running totals, and lag comparisons to appointments, costs, billing, workloads, and claims; added validation, AI-assisted recommendations, and Power BI planning.
- **HR Analytics:** Built a normalized workforce model and used CTEs and window functions to analyze headcount, compensation, performance, attendance, hiring year, and tenure; added validation, AI-assisted recommendations, and Power BI planning.
- **Additional Business Analysis:** Analyzed Bank of Baroda customer transaction patterns with Excel and SQL and presented engagement recommendations; designed an online GST filing acceptance survey, analyzed responses in SPSS, and earned an A grade.

CREDENTIALS

- **Business Analysis & Process Management:** Coursera Project Network, June 2025; Credential ID: WV4JMS14XVV6.
- **NISM Series XII:** Securities Markets Foundation.
