## Professional Summary

Early-career Business Analyst with a Master of Business Analytics from Edith Cowan University, Australia, and 2025 Data Intern experience at AYLA Solutions, Australia. Brings requirements gathering, workflow documentation, SQL validation, advanced Excel reporting, KPI analysis, and stakeholder communication to process improvement and technology-enabled change.

## Core Competencies

- **Requirements & Process Analysis:** Requirements elicitation, documentation and validation, workflow analysis, process mapping, reporting needs, stakeholder communication, and Agile planning.
- **Data & Performance Analysis:** PostgreSQL, SQL, advanced Excel, extraction, cleaning, data-quality validation, KPI definition, trend analysis, operational analysis, and financial reporting.
- **Documentation & Delivery:** Process and analytical documentation, records management, project coordination, progress communication, recommendations, Microsoft Office, and Google Workspace.
- **Technology-Enabled Reporting:** Power BI planning, visualization requirements, Git, GitHub Actions, relational modelling, automated validation, and Generative AI-assisted analysis.

## Professional Experience

### AYLA Solutions

Australia

*Data Intern*

2025

- Gathered and documented business, data, and reporting requirements; synthesized stakeholder questions into structured analytical needs and reporting outputs.
- Supported SQL extraction and validation and prepared advanced Excel reports and dashboard insights for performance reporting and decision support.
- Participated in Agile planning and reviews, communicated progress, and maintained clear analytical documentation.

### Trans Globe Education

India

*Support Executive*

2022–2023

- Managed client records and documentation and coordinated application and process updates with students and institutions.
- Supported administrative reporting, workflow management, market research, and client communication across active cases.

### Arihant Investment

India

*Administrative Executive*

2020–2021

- Maintained accurate business data, documentation, and confidential client records while supporting daily operations.
- Coordinated client communication and information updates with close attention to accuracy and confidentiality.

## Business Analytics Projects

### E-Commerce Sales & Financial Analytics

*PostgreSQL, SQL, Power BI*

- Modelled customer, product, order, payment, and integration relationships; documented revenue rules and defined operational and financial KPIs for decision support.
- Reconciled data-quality conditions and converted validated findings into AI-assisted recommendations and Power BI plans for KPIs, filters, visuals, and management use cases.

### Workforce & Employee Analytics

*PostgreSQL, SQL, Business Intelligence*

- Built a workforce model spanning departments, employees, salaries, performance, and attendance and analyzed headcount, compensation, performance, hiring, attendance, and tenure.
- Translated validated SQL findings into AI-assisted workforce recommendations and a documented Power BI reporting plan.

### Healthcare Operations Analytics

*PostgreSQL, SQL, KPI Analysis*

- Modelled service workflows spanning patients, clinicians, appointments, treatments, billing, and claims and analyzed completion, workload, costs, billing status, and claims.
- Documented assumptions and validation and translated findings into operational recommendations and Power BI plans.

## Education

### Edith Cowan University

Australia

*Master of Business Analytics*

2023–2025

**Relevant Coursework:** Business Systems Analysis, Business Process Management, Project Management, Enterprise Architecture, and Analytics and Business Decision Making.

### Atmiya University

India

*Integrated Master of Business Administration*

2018–2022
