Professional Summary

Early-career analyst with a Master of Business Analytics from Edith Cowan University, Australia, and 2025 Data Intern experience at AYLA Solutions, Australia. Applies advanced Excel, PostgreSQL, SQL, financial and performance KPI analysis, validation, reporting, and confidential records experience to accurate, decision-focused business information.

Core Competencies

- **Financial & Performance Analysis:** Revenue, payment, customer-spend, compensation, headcount, trend and KPI analysis, financial reporting logic, business recommendations, and decision support.
- **Data & Reporting:** Advanced Excel, PostgreSQL, SQL, extraction, cleaning, validation, aggregation, segmentation, rankings, running totals, dashboard insights, and Power BI planning.
- **Operational Analysis:** Business and reporting requirements, research, workflow coordination, administrative reporting, stakeholder communication, process documentation, and confidential records.
- **Controls & Delivery:** Documented business rules, data-quality checks, relational constraints, repeatable validation, GitHub Actions, Agile reviews, Microsoft Office, and Google Workspace.

Professional Experience

AYLA Solutions

Australia

Data Intern

2025

- Gathered and documented business, data, and reporting requirements; translated stakeholder questions into structured analytical needs, KPI definitions, and reporting outputs.
- Supported SQL extraction and validation and prepared advanced Excel reports and dashboard insights for performance tracking and decision support.
- Participated in Agile planning and reviews, communicated progress and findings, and maintained clear analytical documentation.

Trans Globe Education

India

Support Executive

2022–2023

- Managed client records and documentation and coordinated application and process updates with students and institutions.
- Supported administrative reporting, workflow management, market research, and client communication across active cases.

Arihant Investment

India

Administrative Executive

2020–2021

- Maintained accurate business data, documentation, and confidential client records while supporting daily operations.
- Coordinated client communication and information updates with close attention to accuracy and confidentiality.

Business Analytics Projects

E-Commerce Financial Performance Analytics

PostgreSQL, SQL, Financial KPIs

- Defined recognized revenue to exclude pending, refunded, and cancelled activity and analyzed monthly revenue, customer spend, order frequency, product rankings, and payment methods.
- Added repeatable validation and GitHub Actions checks and converted verified findings into financial recommendations and Power BI reporting requirements.

Workforce Compensation & Performance Analytics

PostgreSQL, SQL, Business Intelligence

- Modelled departments, employees, salaries, performance, and attendance and analyzed headcount, compensation, performance, hiring, attendance, and tenure.
- Validated SQL outputs and documented AI-assisted workforce recommendations and Power BI reporting requirements.

Bank of Baroda Customer Behaviour Analysis

Excel, SQL, Financial Services

- Analyzed customer transaction patterns using Excel and SQL for cleaning, visualization, and trend analysis during October–November 2020.
- Presented recommendations for customer engagement and service delivery based on the analyzed transaction patterns.
