Professional Summary

Early-career business analytics professional with Australian Data Intern experience and a Master of Business Analytics. Hands-on portfolio experience in PostgreSQL, SQL, relational data modelling, CTEs, window functions, data-quality controls, automated validation, requirements documentation, and Agile collaboration. Completed Power BI KPI and dashboard planning and AI-assisted recommendations grounded in validated SQL outputs; interactive implementation remains the next stage.

Core Competencies

- **SQL & Relational Modelling:** PostgreSQL, SQL, normalized schemas, joins, aggregations, CTEs, rankings, segmentation, running totals, lag comparisons, window functions, keys, and constraints.
- **BI Requirements & Planning:** Power BI KPI and dashboard planning, filters, visualization requirements, reporting use cases, stakeholder questions, advanced Excel reporting, and recommendations.
- **Data Quality & Governance:** Cleaning, validation, integrity and uniqueness rules, controlled definitions, repeatable test scripts, GitHub Actions checks, issue analysis, and documentation.
- **Delivery & Collaboration:** Requirements gathering and documentation, Agile sprint planning and reviews, stakeholder communication, Git, GitHub, Microsoft Office, AI-assisted analysis, and prompt design.

Professional Experience

AYLA Solutions

Australia

Data Intern

2025

- Gathered and documented business and reporting requirements; translated stakeholder questions into structured analytical tasks and reporting outputs.
- Supported SQL extraction and validation and prepared advanced Excel reports and dashboard insights for performance tracking.
- Participated in Agile sprint planning and reviews, communicated progress, and maintained accurate analytical documentation.

Trans Globe Education

India

Support Executive

2022–2023

- Managed client documentation and accurate records; coordinated application and process updates with students and institutions.
- Supported administrative reporting, workflow management, client communication, and market research activities.

Arihant Investment

India

Administrative Executive

2020–2021

- Handled data entry, documentation, and confidential client-record maintenance with close attention to accuracy.
- Supported daily business operations and client communication while maintaining reliable business information.

Business Analytics Projects

E-Commerce Sales Analytics

PostgreSQL, SQL, Data Modelling

- Built a PostgreSQL model connecting customers, products, orders, line items, and payments using primary and foreign keys, uniqueness rules, checks, and controlled revenue definitions.
- Developed SQL analysis and repeatable validation with GitHub Actions; documented AI-assisted recommendations from SQL outputs and completed Power BI KPI and dashboard planning.

Healthcare Patient & Hospital Analytics

PostgreSQL, SQL, Data Quality

- Modelled patients, clinicians, appointments, treatments, billing, and claims; used CTEs and window functions for completion, cost, billing, workload, and insurance-claim analysis.
- Added automated validation and GitHub Actions; documented AI-assisted operational insights from SQL outputs and completed Power BI dashboard planning.

HR Analytics

PostgreSQL, SQL, Business Intelligence

- Built a normalized workforce model spanning departments, employees, salaries, performance reviews, and attendance; analyzed headcount, compensation, performance, attendance, hiring, and tenure.
- Used CTEs and window functions with repeatable validation and GitHub Actions; documented AI-assisted recommendations from SQL outputs and completed Power BI planning.

Education

Edith Cowan University

Australia

Master of Business Analytics

2023–2025

Relevant Coursework: Databases and Business Intelligence, Business Systems Analysis, Enterprise Architecture, Machine Learning, Project Management.

Atmiya University

India

Integrated Master of Business Administration

2018–2022

Credentials

Business Analysis & Process Management – Coursera Project Network, June 2025; Credential ID: WV4JMS14XVV6.
NISM Series XII – Securities Markets Foundation
