Professional Summary

Early-career business analytics professional with Australian Data Intern experience and a Master of Business Analytics. Experienced in project and workflow coordination, requirements documentation, advanced Excel reporting, Microsoft PowerPoint, progress tracking, data analysis, stakeholder communication, and decision-focused recommendations. Brings verified banking analytics exposure through a Bank of Baroda project and securities-markets knowledge.

Core Competencies

- **Project & Workflow Support:** Agile planning and reviews, task and progress coordination, process documentation, record maintenance, follow-ups, prioritization, and dependable execution.
- **Reporting & Presentations:** Advanced Microsoft Excel, pivot tables, trackers, Microsoft PowerPoint, summaries, KPI reporting, visualizations, recommendations, and Microsoft Word.
- **Business Analysis:** Requirements gathering and documentation, stakeholder inputs, reporting requirements, process mapping, market and trend analysis, structured problem-solving, and decision support.
- **Data & Professional Tools:** PostgreSQL, SQL, data cleaning and validation, Microsoft Office, Google Workspace, Git, confidential records, client support, and clear communication.

Professional Experience

AYLA Solutions

Australia

Data Intern

2025

- Gathered and documented business and reporting requirements; translated stakeholder questions into structured analytical tasks and reporting outputs.
- Supported SQL extraction and validation and prepared advanced Excel reports and dashboard insights for performance tracking.
- Participated in Agile sprint planning and reviews, communicated progress, and maintained accurate analytical documentation.

Trans Globe Education

India

Support Executive

2022–2023

- Managed client documentation and accurate records; coordinated application and process updates with students and institutions.
- Supported administrative reporting, workflow management, client communication, and market research activities.

Arihant Investment

India

Administrative Executive

2020–2021

- Handled data entry, documentation, and confidential client-record maintenance with close attention to accuracy.
- Supported daily business operations and client communication while maintaining reliable business information.

Business Analytics Projects

Bank of Baroda Customer Behaviour Analysis

Excel, SQL, Banking Analytics

- Analyzed customer transaction patterns using Excel and SQL for data cleaning, visualization, and trend analysis during October–November 2020.
- Presented findings and recommendations focused on customer engagement and service delivery.

E-Commerce Sales Analytics

PostgreSQL, SQL, Customer Analysis

- Modelled customers, products, orders, line items, and payments; analyzed customer spend, order frequency, product rankings, monthly revenue, and payment methods.
- Added repeatable validation and GitHub Actions; documented AI-assisted recommendations from SQL findings and completed Power BI KPI and dashboard planning.

HR Analytics

PostgreSQL, SQL, Business Intelligence

- Built a normalized workforce model spanning departments, employees, salaries, performance reviews, and attendance; analyzed headcount, compensation, performance, attendance, hiring, and tenure.
- Used CTEs and window functions with repeatable validation; documented AI-assisted recommendations and Power BI planning.
