EXPERIENCE

- AYLA Solutions** Australia
 - Data Intern* 2025
 - Requirements & Reporting:** Gathered and documented business and reporting requirements, translating operational needs into structured analytical work and reporting outputs.
 - SQL & Excel Analysis:** Supported SQL-based extraction and validation, prepared advanced Excel reports, and contributed dashboard insights for performance tracking.
 - Agile Delivery:** Participated in sprint planning and reviews while communicating progress and maintaining accurate documentation for review and follow-through.
- Trans Globe Education** India
 - Support Executive* 2022–2023
 - Client & Process Coordination:** Managed client documentation and records while coordinating application and process updates with students and institutions.
 - Research & Reporting:** Supported market research, reporting, workflow coordination, and client communication.
- Arihant Investment** India
 - Administrative Executive* 2020–2021
 - Data Accuracy & Operations:** Entered data, maintained accurate confidential client records, and supported operations.
 - Client Service:** Supported client communication and maintained reliable business documentation.

PROJECTS

- Bank of Baroda Customer Behaviour Analysis:** Used Excel and SQL to clean customer data, visualize patterns and trends, and document recommendations based on observed behaviour.
- E-Commerce Sales Analytics:** Modelled customers, products, orders, line items, and payments; defined recognized-revenue and integrity rules; analyzed spend, order frequency, product rankings, monthly revenue, and payment methods; and documented validated recommendations for business review.
- Healthcare Patient & Hospital Analytics:** Modelled patients, clinicians, appointments, treatments, billing, and claims; analyzed completion, cost, workload, billing, and claims using CTEs, rankings, running totals, and lag comparisons.
- Online GST Filing Adoption Research:** Designed a Google Forms survey and analyzed responses with Excel formulas, filters, pivots, percentages, and charts. Across projects, added validation, GitHub Actions checks, AI-assisted findings, and Power BI KPI plans for future reporting.

EDUCATION

- Edith Cowan University** Australia
 - Master of Business Analytics* 2023–2025
 - Relevant Coursework:** Analytics and Business Decision Making, Databases and Business Intelligence, Business Systems Analysis, Business Process Management, People Analytics, Project Management, and Machine Learning.
- Atmiya University** India
 - Integrated Master of Business Administration* 2018–2022

CREDENTIALS

- Business Analysis & Process Management:** Coursera Project Network, issued June 2025; Credential ID: WV4JMS14XVV6.
- NISM Series XII:** Securities Markets Foundation.
