EXPERIENCE

- AYLA Solutions** Australia
Data Intern 2025
 - Requirements & Reporting:** Gathered and documented business and reporting requirements, translating operational needs into structured analytical work and reporting outputs.
 - SQL & Excel Analysis:** Supported SQL-based extraction and validation, prepared advanced Excel reports, and contributed dashboard insights for performance tracking.
 - Agile Delivery:** Participated in sprint planning and reviews while communicating progress and maintaining accurate documentation for review and follow-through.
- Trans Globe Education** India
Support Executive 2022–2023
 - Client & Stakeholder Support:** Managed documentation and records while coordinating process updates with students and institutions to keep information current.
 - Research & Reporting:** Supported market research, reporting, workflow coordination, and client communication.
- Arihant Investment** India
Administrative Executive 2020–2021
 - Data Accuracy & Operations:** Entered data, maintained accurate confidential records, and supported daily operations.
 - Client Service:** Supported client communication and maintained reliable business documentation.

PROJECTS

- E-Commerce Sales Analytics:** Modelled customers, products, orders, line items, and payments; defined recognized-revenue rules; analyzed customer spend, order frequency, product rankings, monthly trends, and payment methods; and documented validated recommendations for business review.
- Bank of Baroda Customer Behaviour Analysis:** Used Excel and SQL to clean and analyze customer data, visualize patterns and trends, and document recommendations based on observed behaviour.
- Online GST Filing Adoption Research:** Designed a Google Forms survey; analyzed responses with Excel formulas, filters, pivot tables, percentages, and charts; identified small-business adoption patterns and barriers; and documented recommendations.
- Healthcare Patient & Hospital Analytics:** Analyzed completion, cost, workload, billing, and claims with CTEs, rankings, running totals, and lag comparisons. Across published repositories, added validation, GitHub Actions checks, AI-assisted findings, and Power BI plans.

EDUCATION

- Edith Cowan University** Australia
Master of Business Analytics 2023–2025
 - Relevant Coursework:** Analytics and Business Decision Making, Databases and Business Intelligence, Business Systems Analysis, Business Process Management, Machine Learning, People Analytics, and Project Management.
- Atmiya University** India
Integrated Master of Business Administration 2018–2022

CREDENTIALS

- Business Analysis & Process Management:** Coursera Project Network, issued June 2025; Credential ID: WV4JMS14XVV6.
- NISM Series XII:** Securities Markets Foundation.
