EXPERIENCE

- AYLA Solutions** Australia
 - Data Intern* 2025
 - Requirements & Reporting:** Gathered and documented business and reporting requirements, connecting operational needs with structured analytical work.
 - Data Quality & Analysis:** Supported SQL-based extraction and validation and prepared advanced Excel reports.
 - Reporting Insights:** Contributed dashboard and reporting insights that organized analytical findings for business use.
 - Agile Coordination:** Participated in sprint planning and reviews, communicated progress, and maintained analytical documentation for review.
- Trans Globe Education** India
 - Support Executive* 2022–2023
 - Records & Coordination:** Managed client documentation and accurate records while coordinating process updates with students and institutions.
 - Operational Support:** Supported administrative reporting, workflow management, client communication, and relevant market research activities.
- Arihant Investment** India
 - Administrative Executive* 2020–2021
 - Data Accuracy:** Handled data entry, documentation, and client record maintenance while protecting business data accuracy and confidentiality.
 - Business Operations:** Supported daily operations and client communication through accurate, reliable recordkeeping.

PROJECTS

- E-Commerce Sales Analytics:** Built a PostgreSQL model linking customers, products, orders, line items, and payments; defined primary and foreign keys, uniqueness rules, value checks, and recognized-revenue logic; added repeatable validation and GitHub Actions checks.
- Bank of Baroda Customer Behaviour Analysis:** Analyzed customer transaction patterns using Excel and SQL for cleaning, visualization, and trend analysis; documented findings and presented customer engagement and service-delivery recommendations.
- Online GST Filing Adoption Research:** Designed a Google Forms survey and analyzed responses in Excel using formulas, filters, pivot tables, percentages, and charts; documented key findings, adoption barriers, and practical recommendations.

EDUCATION

- Edith Cowan University** Australia
 - Master of Business Analytics* 2023–2025
 - Relevant Coursework:** Business Systems Analysis, Databases and Business Intelligence, Business Process Management, Analytics and Business Decision Making, Enterprise Architecture, and Project Management.
- Atmiya University** India
 - Integrated Master of Business Administration* 2018–2022

CREDENTIALS

- Business Analysis & Process Management:** Coursera Project Network, issued June 2025; Credential ID: WV4JMS14XVV6.
- NISM Series XII:** Securities Markets Foundation.
