Project Delivery: Process mapping, workflow coordination, Agile planning and reviews, documentation
Communication: Stakeholder communication, client support, presentation of recommendations, written reporting
Tools: Power BI dashboard planning, Microsoft Office, Google Forms, Git, GitHub Actions

EXPERIENCE

- Independent Freelance Consulting** Project-based
 - Developer, Architect & Data Engineer*
 - Freelance Roles:** Worked as a freelance developer, architect, and data engineer across project-based assignments.
 - Technical Breadth:** Combined software, solution-design, and data perspectives across freelance work.
- AYLA Solutions** Australia
 - Data Intern* 2025
 - Requirements to Insight:** Gathered and documented business and reporting requirements, supporting analytical work tied to performance tracking.
 - Excel & SQL Reporting:** Supported SQL extraction and validation, prepared advanced Excel reports, and contributed dashboard and reporting insights.
 - Agile Delivery:** Participated in sprint planning and reviews, shared progress, and maintained analytical documentation.
- Trans Globe Education** India
 - Support Executive* 2022–2023
 - Stakeholder Coordination:** Managed client documentation and coordinated application and process updates with students and institutions.
 - Market Research:** Supported market research, reporting, workflow coordination, and client communication.
- Arihant Investment** India
 - Administrative Executive* 2020–2021
 - Records:** Maintained accurate, confidential client records while supporting documentation, operations, and communication.

PROJECTS

- E-Commerce Sales Analytics:** Built a PostgreSQL model with integrity rules for customers, products, orders, line items, and payments; defined recognized revenue excluding pending, refunded, and cancelled activity; analyzed monthly revenue, customer spend, order frequency, product rankings, and payment methods; and added validation, GitHub Actions, AI-assisted recommendations, and Power BI dashboard plans.
- Online GST Filing Adoption Research:** Designed and conducted a Google Forms survey of small businesses; cleaned and analyzed responses with Excel formulas, filters, pivot tables, percentages, and charts; identified adoption patterns and barriers; documented recommendations; and earned an A grade.
- HR Analytics:** Built a normalized PostgreSQL workforce model; analyzed headcount, compensation, performance, attendance, hiring, and tenure with CTEs, rankings, and window functions; and added repeatable validation, GitHub Actions checks, AI-assisted recommendations, and Power BI dashboard planning.

EDUCATION

- Edith Cowan University** Australia
 - Master of Business Analytics* 2023–2025
 - Relevant Coursework:** Business Systems Analysis, Business Process Management, Analytics and Business Decision Making, Project Management, and Enterprise Architecture.
- Atmiya University** India
 - Integrated Master of Business Administration* 2018–2022

CREDENTIALS
