EXPERIENCE

- AYLA Solutions** Australia
 - Data Intern* 2025
 - Clerical Reporting Support:** Gathered and documented business and reporting requirements, organizing operational information into structured analytical work and reporting outputs.
 - Electronic Data & Excel:** Supported SQL-based data extraction and validation, prepared advanced Excel reports, and contributed insights for business performance tracking.
 - Initiative & Communication:** Participated in sprint planning and reviews, communicated progress, and maintained accurate analytical documentation across assigned work.
- Trans Globe Education** India
 - Support Executive* 2022–2023
 - Client Records:** Managed client documentation and accurate records while coordinating application and process updates with students and institutions.
 - Clerical & Client Support:** Supported administrative reporting, workflow coordination, client communication, and market research across active processes.
- Arihant Investment** India
 - Administrative Executive* 2020–2021
 - Data Entry & Confidentiality:** Maintained accurate, confidential client records and supporting documents through careful data entry and organization.
 - Daily Clerical Operations:** Supported daily business operations, client communication, and accurate record maintenance.

PROJECTS

- Online GST Filing Adoption Research:** Designed a Google Forms survey; organized responses in Excel using formulas, sorting, filtering, pivot tables, percentages, and charts; identified adoption barriers and documented findings and recommendations on online filing.
- HR Analytics:** Built a normalized PostgreSQL database spanning departments, employees, salaries, performance reviews, and attendance; analyzed workforce records and added repeatable validation and GitHub Actions checks.
- E-Commerce Sales Analytics:** Built an electronic relational database connecting customers, products, orders, line items, and payments; applied key, uniqueness, and value checks and documented validated findings.
