Delivery: Agile sprint planning and reviews, progress communication, workflow coordination, follow-up
Financial Services: Securities-markets foundation, transaction analysis, confidential records, data accuracy
Tools: Microsoft Office, Git, GitHub, GitHub Actions, Google Workspace

EXPERIENCE

- AYLA Solutions** Australia
 - Data Intern* 2025
 - Requirements & Reporting:** Gathered and documented business and reporting requirements, helping connect stakeholder needs to structured analytical outputs.
 - Validation & Metrics:** Supported SQL-based extraction and validation, prepared advanced Excel reports, and contributed structured insights for business performance tracking.
 - Agile Collaboration:** Participated in Agile sprint planning and review sessions, communicated progress, and maintained structured analytical documentation for shared use.
- Trans Globe Education** India
 - Support Executive* 2022–2023
 - Documentation & Follow-Up:** Maintained accurate client records and coordinated application and process updates with students and institutions.
 - Operational Reporting:** Supported administrative reporting, workflow coordination, client communication, and research.
- Arihant Investment** India
 - Administrative Executive* 2020–2021
 - Financial Records:** Handled data entry and documentation while maintaining accurate, confidential client records.
 - Operational Support:** Supported daily operations and client communication in an investment-services setting.

PROJECTS

- E-Commerce Sales Analytics:** Modelled customers, orders, line items, and payments in PostgreSQL; translated transaction states into recognized-revenue rules, enforced keys, uniqueness rules, and checks, and added repeatable validation and GitHub Actions checks for reproducible analysis.
- Healthcare Patient & Hospital Analytics:** Modelled patients, clinicians, appointments, treatments, billing, and claims; used CTEs and window functions to analyze completion, treatment costs, billing status, clinician workload, and insurance claims; added automated validation and GitHub Actions checks.
- Bank of Baroda Customer Behaviour Analysis:** Analyzed customer transaction patterns using Excel and SQL for cleaning, visualization, and trend analysis; presented recommendations for customer engagement and service delivery.

EDUCATION

- Edith Cowan University** Australia
 - Master of Business Analytics* 2023–2025
 - Relevant Coursework:** Business Systems Analysis, Databases and Business Intelligence, Business Process Management, Analytics and Business Decision Making, and Project Management.
- Atmiya University** India
 - Integrated Master of Business Administration* 2018–2022

CREDENTIALS

- Business Analysis & Process Management:** Coursera Project Network, issued June 2025; Credential ID: WV4JMS14XVV6.
- NISM Series XII:** Securities Markets Foundation.
