- Client Service:** Stakeholder communication, client support, research, professional documentation

EXPERIENCE

- AYLA Solutions** Australia
 - Data Intern* 2025
 - Requirements & Reporting:** Gathered and documented business and reporting requirements, helping structure analytical work around operational needs.
 - Performance Analysis:** Supported SQL extraction and validation, prepared advanced Excel reports, and contributed insights for business performance tracking.
 - Agile Delivery:** Participated in Agile sprint planning and review sessions, communicated progress, and maintained structured documentation supporting shared analytical work.
- Trans Globe Education** India
 - Support Executive* 2022–2023
 - Client Coordination:** Maintained accurate client documentation while coordinating application and process updates with students and institutions.
 - Research & Reporting:** Supported administrative reporting, workflow management, client communication, and market research for ongoing service delivery.
- Arihant Investment** India
 - Administrative Executive* 2020–2021
 - Operational Accuracy:** Handled data entry, client documentation, and record maintenance while protecting business-data accuracy and confidentiality.
 - Client Support:** Supported daily business operations and clear client communication in an investment-services setting.

PROJECTS

- E-Commerce Sales Analytics:** Built a PostgreSQL model connecting customers, products, orders, line items, and payments; defined recognized-revenue rules and analyzed spend, order frequency, product rankings, monthly revenue, and payment methods.
- HR Analytics:** Built a normalized workforce model and analyzed headcount, compensation, performance, attendance, hiring year, and tenure using CTEs, rankings, window functions, and repeatable validation.
- Online GST Filing Adoption Research:** Designed a Google Forms survey of small-business taxpayers; used Excel formulas, filters, pivot tables, percentages, and charts to analyze adoption barriers and document findings and recommendations.

EDUCATION

- Edith Cowan University** Australia
 - Master of Business Analytics* 2023–2025
 - Relevant Coursework:** Business Systems Analysis, Business Process Management, Analytics and Business Decision Making, Supply Chain Analytics, People Analytics, and Project Management.
