EXPERIENCE

- AYLA Solutions** Australia
 - Data Intern* 2025
 - Requirements & Reporting:** Gathered and documented business and reporting requirements, helping clarify questions, inputs, outputs, and decision needs.
 - Performance Analysis & Tracking:** Supported SQL extraction and validation, prepared advanced Excel reports, and contributed insights for business performance tracking.
 - Project Collaboration:** Participated in Agile planning and reviews, communicated progress, and maintained current documentation for recurring analytical work.
- Trans Globe Education** India
 - Support Executive* 2022–2023
 - Workflow & Stakeholder Coordination:** Maintained accurate client documentation and coordinated application and process updates with students and institutions.
 - Reporting & Research Support:** Supported administrative reporting, recurring workflows, client communication, and market research for client processes.
- Arihant Investment** India
 - Administrative Executive* 2020–2021
 - Operational Data Support:** Supported daily investment-services operations through data entry, documentation, and client record maintenance.
 - Accuracy & Confidentiality:** Maintained reliable business information and professional client communication.

PROJECTS

- HR Analytics:** Built a normalized PostgreSQL workforce model across departments, employees, salaries, performance, and attendance; analyzed headcount, compensation, performance, attendance, hiring, and tenure using CTEs, rankings, window functions, and validation.
- Healthcare Patient & Hospital Analytics:** Modelled patients, clinicians, appointments, treatments, billing, and claims; assessed appointment completion, clinician workload, treatment costs, and billing/claim status using segmentation, rankings, running totals, and lag comparisons.
- E-Commerce Sales Analytics:** Modelled customers, products, orders, and payments; analyzed monthly revenue, order frequency, product rankings, customer spend, and payment methods with repeatable validation, AI-assisted recommendations, and Power BI planning.

EDUCATION

- Edith Cowan University** Australia
 - Master of Business Analytics* 2023–2025
 - Relevant Coursework:** People Analytics, Project Management, Analytics and Business Decision Making, Supply Chain Analytics, and Databases and Business Intelligence.
- Atmiya University** India
