Analytics: Relational Data Modelling, CTEs, Window Functions, KPI Reporting, Statistics
Business Analysis: Requirements Gathering, Process Mapping, Documentation, Stakeholder Communication, Agile
Delivery: Git, GitHub Actions, Microsoft 365, Google Workspace

EXPERIENCE

- **AYLA Solutions** Australia
Data Intern 2025
 - **Data & Reporting:** Supported SQL-based data extraction, advanced Excel reporting, and dashboard insights for business performance tracking.
 - **Requirements:** Gathered and documented analytical and reporting requirements from stakeholders.
 - **Agile Delivery:** Participated in sprint planning and review sessions for analytical work.
- **Trans Globe Education** India
Support Executive 2022–2023
 - **Documentation & Coordination:** Maintained accurate client documentation and coordinated application updates with students and institutions.
 - **Operational Support:** Supported reporting, workflow management, client communication, and market research.
- **Arihant Investment** India
Administrative Executive 2020–2021
 - **Data Administration:** Maintained confidential client records and accurate business data while supporting daily operations and communication.

PROJECTS

- **E-Commerce Sales Analytics:** Built a five-entity PostgreSQL sales model with integrity rules and status-aware revenue logic; analyzed customer spend, product rankings, monthly revenue, and payment methods with validated SQL and GitHub Actions.
- **Healthcare Patient & Hospital Analytics:** Modelled six related PostgreSQL entities and used CTEs, rankings, segmentation, running totals, and lag analysis to examine operations and billing trends.
- **HR Analytics:** Built a normalized workforce model and analyzed headcount, compensation, performance, attendance, hiring year, and tenure using CTEs, window functions, and repeatable validation.

POWER BI PROJECT

- **Sales Performance Dashboard — In Progress:** Completing the final Power BI dashboard and README documentation; portfolio publication is pending.

CREDENTIALS

- **Business Analysis & Process Management:** Coursera Project Network, June 2025; Credential ID: WV4JMS14XVV6.
- **NISM Series XII:** Securities Markets Foundation.
