## Professional Summary

Early-career Data Analyst with a Master of Business Analytics from Edith Cowan University, Australia, and 2025 Data Intern experience at AYLA Solutions, Australia. Applies PostgreSQL, SQL, advanced Excel, relational modelling, data cleaning and validation, KPI reporting, and stakeholder documentation to produce reliable, decision-focused insights.

## Core Competencies

- **Data Quality & Validation:** Cleaning, validation, primary and foreign keys, uniqueness rules, check constraints, referential integrity, documented assumptions, and repeatable checks.
- **Databases & Analytics:** PostgreSQL, SQL, relational modelling, extraction, joins, CTEs, subqueries, aggregations, segmentation, rankings, running totals, lag analysis, and window functions.
- **Reporting & Visualization:** Advanced Excel, KPI definition, trend and statistical analysis, operational and financial reporting, Power BI planning, and Generative AI-assisted recommendations.
- **Requirements & Delivery:** Business and reporting requirements, data definitions, business rules, analytical documentation, stakeholder communication, Agile reviews, Git, and GitHub Actions.

## Professional Experience

### AYLA Solutions

Australia

*Data Intern*

2025

- Gathered and documented business, data, and reporting requirements; translated stakeholder questions into structured analytical needs, definitions, and reporting outputs.
- Supported SQL extraction and validation and prepared advanced Excel reports and dashboard insights for performance tracking and decision support.
- Participated in Agile planning and reviews, communicated data findings and progress, and maintained analytical documentation.

### Trans Globe Education

India

*Support Executive*

2022–2023

- Managed client records and documentation and coordinated application and process updates with students and institutions.
- Supported administrative reporting, workflow management, market research, and client communication across active cases.

### Arihant Investment

India

*Administrative Executive*

2020–2021

- Maintained accurate business data, documentation, and confidential client records while supporting daily operations.
- Coordinated client communication and information updates with close attention to accuracy and confidentiality.

## Business Analytics Projects

### E-Commerce Data Quality & Sales Analytics

*PostgreSQL, SQL, Validation*

- Built a relational model for customers, products, orders, line items, and payments using primary and foreign keys, uniqueness rules, checks, and documented revenue logic.
- Added repeatable validation and GitHub Actions checks; analyzed revenue, customer, product, and payment KPIs and documented AI-assisted recommendations plus planned Power BI reporting.

### Healthcare Operations Analytics

*PostgreSQL, SQL, KPI Analysis*

- Modelled six connected operational entities and analyzed appointment completion, costs, billing status, clinician workload, and insurance claims using CTEs and window functions.
- Validated documented assumptions and translated findings into operational recommendations and planned Power BI reporting.

### Workforce & Employee Analytics

*PostgreSQL, SQL, Business Intelligence*

- Built a normalized workforce model spanning departments, employees, salaries, performance, and attendance and analyzed headcount, compensation, performance, hiring, attendance, and tenure.
- Validated SQL outputs and documented AI-assisted workforce recommendations and Power BI reporting requirements.

## Education

### Edith Cowan University

Australia

*Master of Business Analytics*

2023–2025

**Relevant Coursework:** Databases and Business Intelligence, Analytics and Business Decision Making, Machine Learning, Enterprise Architecture, and Business Systems Analysis.

### Atmiya University

India

*Integrated Master of Business Administration*

2018–2022

## Credentials

**Business Analysis & Process Management** – Coursera Project Network, June 2025; Credential ID: WV4JMS14XVV6.

**NISM Series XII – Securities Markets Foundation**
